WENDY

“Tomasz helped us design a custom tour of Warsaw, Lublin, Krakow and several villages where our ancestors once lived. We were able to include three generations of family members in our trip. The accommodations and logistics were excellent. Tomasz and his other guides in-depth knowledge of Polish history is extraordinary. His team was able to unearth difficult family records and Tomasz was able to locate even more family information while we were in Poland.”

LYNN

“Our trip to Poland with Adam and Tom was a wonderful mix of enriching experiences, historical reflection, cultural immersion, and sheer fun. Poland captured our hearts in the most unexpected ways. Whether enjoying the peaceful surroundings of our ideally situated hotels, savoring the authentic Polish and Czech cuisines, or exploring the rich history and architecture of each destination, this trip truly had it all. From start to finish, it was a journey filled with beauty, charm, and unforgettable memories.”

DARLEEN

“My recent Christmas Market tour of Poland was exceptional! The company took care of every detail and ensured any special requests were met. Travel arrangements were prompt and comfortable while our tour guides were friendly and knowledgeable. Our group visited several Christmas markets, castles and churches, and engaged in two interactive events: a sleigh ride/bonfire and Christmas ornament making. I plan to return to follow up on ancestral research and visits to their towns, churches and cemeteries.”
