DARLEEN

"My recent Christmas Market tour of Poland was exceptional! The company took care of every detail and ensured any special requests were met. Travel arrangements were prompt and comfortable while our tour guides were friendly and knowledgeable. Our group visited several Christmas markets, castles and churches, and engaged in two interactive events: a sleigh ride/bonfire and Christmas ornament making."

LYNN

"Our trip to Poland with Adam and Tom was a wonderful mix of enriching experiences, historical reflection, cultural immersion, and sheer fun. Poland captured our hearts in the most unexpected ways. Whether enjoying the peaceful surroundings of our ideally situated hotels, savoring the authentic Polish and Czech cuisines, or exploring the rich history and architecture of each destination, this trip truly had it all. From start to finish, it was a journey filled with beauty, charm, and unforgettable memories."

MONICA

"We booked a private tour with Adam to trace the footsteps of our ancestors through rural villages in Northern Poland. Adam was professional, supportive, and flexible throughout this emotional journey. He drove us through one lane dirt roads, helped take photos, helped us search for gravestones, and acted as an interpreter and facilitator with locals to make this trip successful and rewarding. I would highly recommend his services. Everything Adam organized from accommodations, an outdoor museum, and meals were excellent. Thank you for your friendliness which made this an enjoyable experience."
