*"Tom and Adam were both awesome, the trip was seamless in every aspect and we were able to do and see so much that I don't think would have been possible with anyone else. Tom is extensively knowledgeable and outgoing, he is always ready to park the car and get into the weeds of wherever it is you may want to go."*

## ROBIN

*"My family just returned from Poland. Our itinerary was brilliantly organized by Adam and his team and revolved around our desire to visit the ancestral villages of our family as well as important historic sites in both Warsaw and Krakow. We were delighted with every aspect of the trip, most especially our brilliant guide Joanna! Her knowledge, kindness, and flexibility added immeasurably to the meaningfulness of this trip."*

## WENDY

*"We worked with Tomasz and Karolina of Genealogy Tours on family research prior to our trip to Poland. Tomasz helped us design a custom tour of Warsaw, Lublin, Krakow and several villages where our ancestors once lived. We were able to include three generations of family members in our trip. The accommodations and logistics were excellent. Tomasz and his other guides in-depth knowledge of Polish history is extraordinary. Visiting places specific to our family made our trip deeply meaningful."*
